

CroxX stim

Blossom

Organic-mineral N fertilizer solution high in Magnesium, B, Mo and Kelp Extract from *Durvillea potatorum*.

Rich in naturally stimulating ingredients as Mannitol and Oligosaccharides, known to lower osmotic stress.
For better flowering.

For Foliar Application and Fertigation.

Content (% w/w): 4.0 N / 5.0 MgO / 1.0 B / 0.2 Mo / 15.0 Kelp
Density (kg/l): 1.20 / **pH:** 6.6

Benefits

- ✓ Balanced formula rich in MgO, B and Mo
- ✓ Triggers natural defenses of plants against abiotic stress (drought, heat, salt)
- ✓ Stimulates and supports flowering

Packing: 1l / 5l / 20l / 1000l
